**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a longtime subscriber to Sonic.net, which provides less expensive internet and telephone service using broadband, competing with large businesses like AT&T. I get excellent service and need to keep the ability to subscribe to Sonic. I cannot manage price hikes which will occur if my access to a cheaper service is cut off. Consumers need more competition, not less. Broadband is critical for many Americans, especially for rural residents and businesses.

Thank you for considering continuing competitive broadband providers.
